SKYLINE™ Gliding Window Panels

From contemporary to traditional, Skyline™ Gliding Window Panels set a new standard in modern window fashions providing a sophisticated look to match today's urban design influence. Skyline™ window panels feature a wide range of fashion forward fabrics, offered in five distinctive categories, a patented innovative hardware system and custom colored hardware designed to coordinate with each fabric in the collection.

DUETTE® Honeycomb Shades

Duette® honeycomb shades are energy efficient, easy to maintain, and simple to install and operate. Their innovative honeycomb construction helps keep heat in during cold winter months and hot air out during Summer months. A beautiful look combines with lasting strength, durability, and superior performance.
